The purpose of this 40 hour program is to train Mediators in compliance with Iowa law so as a Mediator you can Mediate family law disputes in the state of Iowa. You will be given a basic training that will form a foundation for your Mediation. Although this training is not intended to be advanced skill training, some advanced skill development may be introduced. Training will provide a comprehensive background in dispute resolution enabling you to develop your own style and area of Mediation.

The training will help you to develop a basic plan to set up a practice/business in Mediation or to use the knowledge gained to become more effective with other people that you encounter. The training will be a seminar style of learning with active participation by each participant. **And, yes, we do a lot of role playing so you get a chance to practice mediating.** Please feel free to ask questions as we proceed through the training. This is a 40 hour course and to complete your certificate, you must attend all 40 hours. I will incorporate breaks within the training and we will break for lunch daily.
